

RED Grants

Luxury Sailing Catamaran Refit

The Trustee for Ningaloo Holding Trust

Completed September 2023

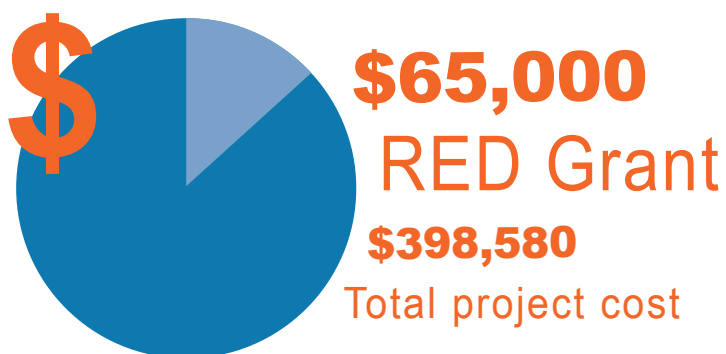

The project involved the refit of Ningaloo Discovery's sailing catamaran 'Windcheetah' to offer sunset sails in the Exmouth gulf.

Creating four new jobs, including two traineeships, 'Windcheetah' is offering a unique tourism experience to visitors on the Ningaloo Reef.

2 new jobs created (0.5 FTE each)

2 new traineeships created

"This RED Grant has extended Ningaloo Discovery's operating season to almost year round and provided 6 part time employees with full time work and 2 people with maritime traineeships. It has opened a new market in Exmouth for year round sunset sails for a higher number of passengers and also provided a unique, stunning, purpose refitted vessel for global destination marketing opportunities on a number of occasions within the first 2 months of operation".

Sarah Ellis, Ningaloo Discovery

NEW tourism offering on the Ningaloo Reef
