

# RED Grants

## Bumbak's Preserves and Ice-creams

Danver Holdings Pty Ltd

Completed June 2022

The project involved the fit out of a new processing plant and upgrades to the commercial kitchen. Their new premises on Bibbawarra Road is a highlight of Carnarvon's 'Fruit Loop' Drive Trail.

### Commission's role

GDC supported Bumbak's throughout the project and during delays resulting from COVID-19 impacts.

**Local** trades and services utilised for fit out.

Increase in variety of products sold in the retail outlet.

Increased sales following project completion.

Increased efficiency due to automation in kitchen.

**New** casual staff positions created for peak season.

The RED Grant allowed the proponent to **expand** the value-added product range **utilising** unsalable produce in their preserves, also **reducing** the amount of produce wasted.

*"The grant was critical in the effort off-setting some of the economic challenges (head-winds) associated with developing businesses (in) the regions."*

Joanne Buzzard, Bumbak's Owner
