## The Wirruwana Hub

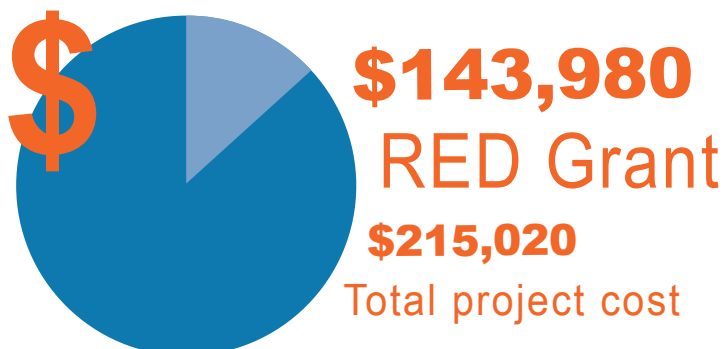

Dirk Hartog Island Distilleries Pty Ltd

Completed December 2021

The Wirruwana Hub is located on Dirk Hartog Island and has incorporated a visitor centre along with 'The Inscription Bar & Café'.

The Hub provides a gateway and meeting point for visitors and tour operators on their entry and exit to the National Park.

It has enhanced the visitor experience and services on Dirk Hartog Island, providing the catalyst for significant tourism growth and further development.

*"The project has created an area that encourages visitors to the island, to gather and share stories, whilst enjoying a coffee or a cold beverage. The project was addressing the challenge of visitors coming to the island but not having any central focus point to gather. The Dirk Hartog Island National Park does not have any facilities for the general public to come together and this facility now provides the central focal point."*
